2020 COLLECTION

We're excited to present our new designs for 2020!

The last year has been spent designing and developing new collections that reflect our core values here at m.a.d.; original, inspired, modern design at an accessible price.

Whether its the soft, compound curves of the new **Petal** chair, the eco-friendly recycled PET seat of the **Stacker** barstool, or the modular flexibility of the **Platform** collection, these new pieces will complement just about any modern home or commercial environment.

We hope you enjoy our new collections and look forward to helping you create great spaces!
